

FLORIDA DEPARTMENT OF EDUCATION PARENT SURVEY- EXCEPTIONAL STUDENT EDUCATION

ESE Parent Survey

The Florida Department of Education is working with school districts to gather information on how well parents think their child's school is partnering with parents of students with disabilities, and would like to include your input. Your responses will help guide efforts to improve services and results for children and families in Santa Rosa County. This survey is for parents of students with individual educational plans (IEP) receiving special education services during the 2018-19 school year. All information provided will remain confidential. The responses to the survey provide important information for planning and monitoring improvement activities. You may submit one online survey for each child receiving services. This survey provides you as a parent with an opportunity to be heard.
